

Melamine Closet & Hardware Options

Kustom Klosets offers a wide array of melamine and hardware options to create fully customized, stylish, and functional closet solutions. Our melamine options include a variety of finishes designed to mimic the beauty of natural wood or provide sleek, modern aesthetics, such as **chocolate pear** and **beige laminate**. These finishes are known for their durability, ease of cleaning, and resistance to warping or chipping, making them ideal for high-use areas like closets.

For hardware, Kustom Klosets provides a curated selection of handles, pulls, and closet rods in finishes like **brushed nickel**, **chrome**, and **matte black**. Options such as the brushed nickel pull add a refined and modern touch, with a soft satin finish that resists fingerprints and provides a subtle sheen. The chrome Modern Steel Pull is also available for those who prefer a more polished, reflective look, ideal for contemporary spaces.

Kustom Klosets' **closet rods** come in stylish finishes as well, like **oval black**, **chrome**, and **brushed nickel**. The oval shapes add extra stability and style, and each finish complements various closet designs, from minimalist to luxury spaces. These hardware and melamine choices enable clients to achieve a tailored look that seamlessly integrates with their home's aesthetic.

Chocolate Pear

A chocolate pear laminate closet features a luxurious, deep brown finish with subtle wood grain textures that mimic the look of rich chocolate pear wood. The laminate surface offers a glossy, polished appearance, while maintaining a warm, inviting atmosphere. The closet is designed with modern, clean lines, offering a combination of hanging rods for clothes, open shelves for folded items, and drawers for accessories, all framed by the stunning laminate finish. The dark chocolate hue adds elegance, making the closet a statement piece in any room, whether it's a bedroom, walk-in closet, or dressing area. Soft lighting accentuates the rich tones of the laminate, enhancing its natural beauty and making the closet feel both functional and sophisticated.

Black

A black melamine closet offers a sleek and modern look, featuring a durable, engineered wood surface that is both stylish and functional. The deep, rich black finish adds a touch of sophistication to any space, while the melamine material provides a smooth, easy-to-clean surface that resists scratches and stains. Ideal for contemporary homes, these closets are highly customizable, offering various shelving, hanging, and drawer configurations to maximize storage efficiency. Whether for a bedroom, entryway, or walk-in, a black melamine closet provides both practicality and aesthetic appeal, making it a versatile choice for any design style.

Dust Grey

A Dust Grey laminate closet combines contemporary style with subtle sophistication, featuring a soft grey hue that adds a sleek, modern feel to any room. The muted grey finish offers a versatile, neutral tone that complements a range of decor styles, from minimalist to industrial. Made with durable laminate, this closet is designed to withstand daily use, with a scratch-resistant, stain-resistant surface that's easy to clean and maintain. Customizable shelves, drawers, and hanging spaces provide ample storage and organization, making it as functional as it is stylish. Ideal for bedrooms, walk-ins, or entryways, the Dust Grey laminate closet brings a refined touch to any space, enhancing both practicality and aesthetic appeal.

Ivory

An Ivory laminate closet offers a timeless, light, and airy aesthetic that brightens any room with its soft, creamy white finish. This elegant, neutral tone creates a sense of spaciousness, making it an ideal choice for smaller spaces or for adding a touch of sophistication to larger areas. The durable laminate surface resists scratches, stains, and moisture, ensuring easy maintenance and long-lasting beauty. With customizable shelving, drawers, and hanging options, an Ivory laminate closet provides efficient organization tailored to your needs. Perfect for bedrooms, walk-ins, or dressing rooms, this closet design adds a fresh, clean look that seamlessly blends with a variety of interior styles, from classic to modern.

Natural Halifax Oak

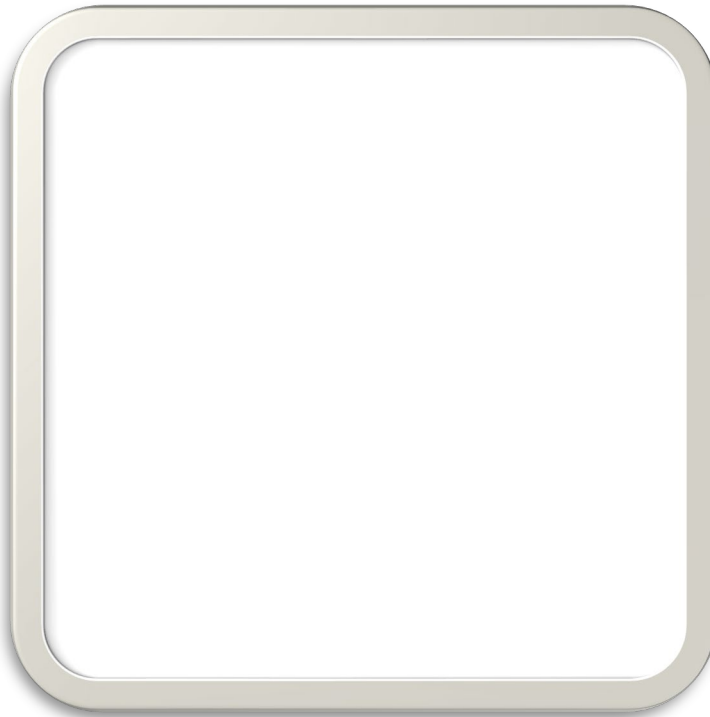

A Natural Halifax Oak laminate closet brings the beauty of rustic, natural wood into your space, with a warm, light oak finish and realistic wood grain texture. The authentic detailing mimics the look and feel of true oak, creating a cozy, inviting atmosphere that enhances any room. Crafted with durable laminate, this closet is scratch- and stain-resistant, offering both elegance and longevity. Customizable shelving, drawers, and hanging options allow for efficient storage, making it both practical and visually stunning. Perfect for bedrooms, walk-in closets, or dressing areas, the Natural Halifax Oak laminate closet blends the warmth of natural wood with the convenience of modern, low-maintenance materials, adding a touch of timeless charm to your home.

Natural Maple

A Natural Maple laminate closet features a light, honey-toned finish that brings warmth and a sense of openness to any space. With its subtle wood grain pattern, this closet offers the appeal of real maple wood while ensuring the durability and easy maintenance of laminate. The soft, neutral tone complements a wide range of decor styles, from Scandinavian to modern to transitional, making it versatile for any home. Its scratch- and stain-resistant surface guarantees long-lasting beauty. With customizable shelving, drawers, and hanging space, a Natural Maple laminate closet provides functional and elegant storage, adding brightness and style to bedrooms, walk-ins, or entryways.

White

A White laminate closet provides a clean, modern look that brightens any room and creates an open, airy feel. Its crisp white finish adds a touch of timeless elegance and easily coordinates with various decor styles, from minimalist to contemporary and classic. The durable laminate surface is resistant to scratches, stains, and moisture, ensuring that the closet stays looking fresh and pristine over time. With customizable options for shelves, drawers, and hanging space, a White laminate closet offers practical organization while enhancing the overall aesthetic of the space. Ideal for bedrooms, walk-ins, or dressing rooms, this closet brings a refined, polished look to any area, making it both a functional and stylish addition to your home.

Hardware

Oval Black Closet Rod

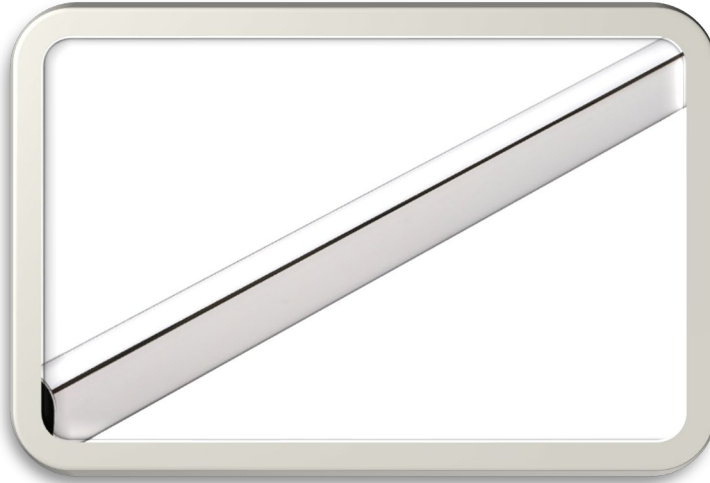

An oval black closet rod is a stylish and sturdy option for hanging clothes. Its sleek, elongated shape combines a modern aesthetic with functionality, with a flat underside and a gently curved top, providing a clean line that complements any closet design. Made from durable, powder-coated metal, the black finish gives it a refined and bold look that works well with both light and dark-colored closet interiors. This rod can support a substantial amount of weight, making it ideal for organizing and maximizing closet space, and its oval shape adds stability, preventing clothes hangers from shifting too much.

Oval Brushed Nickel Closet Rod

A brushed nickel closet rod is a stylish and durable addition to any closet, offering a sleek, modern look with a soft, matte finish. The brushed texture provides a subtle, satin sheen that resists fingerprints and smudges, ensuring it maintains its polished appearance over time. Made from high-quality metal, this closet rod is sturdy enough to support heavy garments, making it perfect for organizing both everyday wear and more substantial clothing items. The brushed nickel finish pairs well with a variety of interior styles, from contemporary to transitional, and its neutral tone complements both light and dark-colored closets. This closet rod combines both functionality and elegance, providing long-lasting performance while adding a touch of sophistication to your space.

Oval Chrome Closet Rod

An oval chrome closet rod is a sophisticated and functional addition to any closet. The polished chrome finish gives it a sleek, reflective quality that brightens the space and complements various closet styles. The oval shape, with its gently curved top and flat underside, not only enhances its modern appearance but also adds extra stability for hanging clothes securely. Constructed from high-quality metal with a durable chrome coating, this rod is designed to support heavy garments without bending or warping. Its shiny, smooth surface allows hangers to glide easily, making it convenient to organize and access clothing. The chrome finish resists rust and tarnish, ensuring longevity and a pristine look.

Black Pull

A matte black Modern Steel Pull is a bold and refined piece of hardware that adds a touch of sophistication to any space. Made from high-quality steel, it features a sleek matte black finish that offers a contemporary, understated look. The smooth, non-reflective surface provides a subtle elegance, while the minimalist design ensures it complements a variety of modern interiors. With its ergonomic shape, the pull offers a comfortable and easy grip, perfect for drawers and cabinets. Its durable construction is built to withstand daily use, and the matte black coating resists smudges and scratches, ensuring it maintains its stylish appearance over time. Ideal for modern kitchens, bathrooms, or living spaces, this pull brings a clean, chic aesthetic to any room.

Brushed Nickel Pull

A brushed nickel pull is a sleek, modern hardware piece that adds sophistication and durability to any cabinet or drawer. The pull features a smooth, satin finish with a subtle texture, giving it a soft sheen that resists fingerprints and smudges. This understated yet elegant design is perfect for contemporary and transitional spaces, as the brushed nickel tone complements a wide range of cabinetry finishes, from wood to laminate. Made from high-quality metal, the pull offers both style and strength, providing a comfortable grip and easy functionality. Its muted shine enhances the overall aesthetic of kitchens, bathrooms, or living spaces, making it a versatile and enduring choice for any home.

Chrome Pull

A chrome Modern Steel Pull is a sleek and contemporary hardware piece designed to elevate the look of any cabinet, drawer, or closet. Crafted from high-quality steel with a polished chrome finish, it combines durability with a sophisticated, mirror-like shine that adds a touch of elegance to modern interiors. The minimalist design features clean, straight lines and a comfortable grip, making it both functional and stylish. Its sturdy construction ensures long-lasting performance, while the chrome finish is resistant to tarnishing and corrosion, maintaining its pristine look over time. Ideal for contemporary kitchens, bathrooms, or wardrobes, the Modern Steel Pull offers a subtle yet impactful design upgrade.
