

## Melamine Closet Options

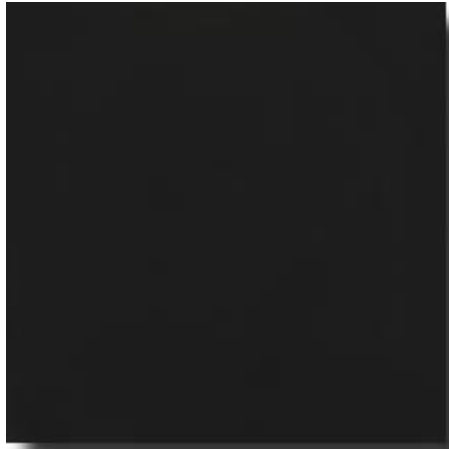

Kustom Klosets offers a wide array of melamine and hardware options to create fully customized, stylish, and functional closet solutions. Our melamine options include a variety of finishes designed to mimic the beauty of natural wood or provide sleek, modern aesthetics, such as **Chocolate Pear** and **River Rock laminate**. These finishes are known for their durability, ease of cleaning, and resistance to warping or chipping, making them ideal for high-use areas like closets.

## *Chocolate Pear*

A chocolate pear laminate closet features a luxurious, deep brown finish with subtle wood grain textures that mimic the look of rich chocolate pear wood. The laminate surface offers a glossy, polished appearance, while maintaining a warm, inviting atmosphere. The closet is designed with modern, clean lines, offering a combination of hanging rods for clothes, open shelves for folded items, and drawers for accessories, all framed by the stunning laminate finish. The dark chocolate hue adds elegance, making the closet a statement piece in any room, whether it's a bedroom, walk-in closet, or dressing area. Soft lighting accentuates the rich tones of the laminate, enhancing its natural beauty and making the closet feel both functional and sophisticated.

## ***Black***

A black melamine closet offers a sleek and modern look, featuring a durable, engineered wood surface that is both stylish and functional. The deep, rich black finish adds a touch of sophistication to any space, while the melamine material provides a smooth, easy-to-clean surface that resists scratches and stains. Ideal for contemporary homes, these closets are highly customizable, offering various shelving, hanging, and drawer configurations to maximize storage efficiency. Whether for a bedroom, entryway, or walk-in, a black melamine closet provides both practicality and aesthetic appeal, making it a versatile choice for any design style.

## *Candlelight*

Candlelight laminate is a warm, medium-tone wood finish that blends golden honey and light amber hues to create an inviting and timeless look. It mimics the natural grain of real wood, offering a soft glow and subtle variation that adds warmth and character to any space. Versatile and classic, Candlelight laminate pairs beautifully with both light and dark hardware, making it an excellent choice for closets, cabinetry, or built-in shelving. Its durable surface resists scratches and stains, providing both style and function for everyday use.

## *Moonlight*

Moonlight laminate is a soft, elegant finish that blends cool gray tones with subtle woodgrain texture, creating a modern yet calming aesthetic. Its muted color palette evokes the look of weathered wood washed in moonlight, offering a perfect balance between contemporary style and natural warmth. Moonlight laminate works beautifully in minimalist or transitional spaces, and pairs well with black, chrome, or brushed nickel hardware. Durable and low-maintenance, it's an ideal choice for closets, cabinetry, and built-ins where you want a sleek, sophisticated finish with lasting performance.

## *River Rock*

River Rock laminate is a rich, earthy finish that combines deep taupe and warm gray tones with a natural woodgrain texture. Inspired by the smooth, organic feel of river stones, this laminate brings depth and warmth to any space while maintaining a modern, grounded aesthetic. Its versatile color works seamlessly with both light and dark design elements, making it an excellent choice for closets, mudrooms, or home offices. Durable and easy to clean, River Rock laminate offers the look of real wood with the practicality of a low-maintenance surface—perfect for everyday living with elevated style.

## *Ruby Planked Maple*

Ruby Planked Maple laminate is a bold and striking finish that showcases the beauty of maple wood with rich ruby and reddish-brown undertones. Designed with a planked woodgrain pattern, it brings visual depth and rustic charm to any space, while the warm, inviting color adds a touch of drama and sophistication. This laminate is perfect for statement pieces like custom closets, accent cabinetry, or feature walls. The durable surface resists scratches and wear, combining high-impact style with everyday functionality. Ruby Planked Maple pairs beautifully with matte black or brushed brass hardware for a stunning, high-contrast look.

## *Southwester*

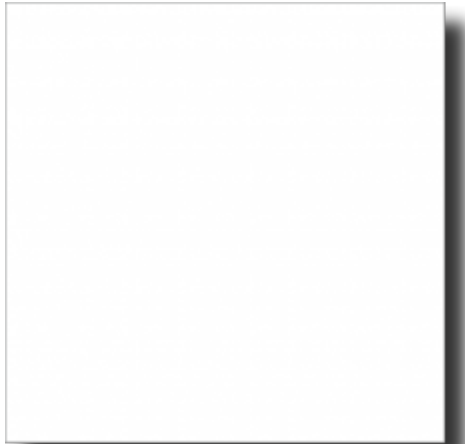

Southwestern laminate is a warm, sun-kissed finish that captures the natural tones and textures inspired by the American Southwest. Featuring a blend of sandy beige, warm terracotta, and soft brown hues, it evokes the look of weathered wood touched by desert light. Subtle grain patterns and a matte texture add depth and authenticity, making it ideal for creating cozy, earthy interiors. Southwestern laminate pairs beautifully with rustic hardware, natural materials, and warm color palettes, making it a perfect choice for closets, cabinetry, or accent pieces that bring a relaxed, grounded, and inviting feel to any space.

## *Summer Flame*

Summer Flame laminate is a vibrant, warm-toned finish that blends rich reddish-orange hues with subtle golden undertones, reminiscent of late summer sunsets. Its fine, consistent woodgrain pattern gives it a refined yet energetic look, making it a standout choice for spaces that need a touch of warmth and personality. Summer Flame pairs beautifully with both traditional and contemporary styles, and works especially well with brushed nickel, chrome, or matte black hardware. Durable and easy to maintain, this laminate brings the beauty of real wood with a bold twist—perfect for closets, cabinetry, or statement furniture pieces that deserve to shine.

## *White*

A White laminate closet provides a clean, modern look that brightens any room and creates an open, airy feel. Its crisp white finish adds a touch of timeless elegance and easily coordinates with various decor styles, from minimalist to contemporary and classic. The durable laminate surface is resistant to scratches, stains, and moisture, ensuring that the closet stays looking fresh and pristine over time. With customizable options for shelves, drawers, and hanging space, a White laminate closet offers practical organization while enhancing the overall aesthetic of the space. Ideal for bedrooms, walk-ins, or dressing rooms, this closet brings a refined, polished look to any area, making it both a functional and stylish addition to your home.
